

NOTICE TO FRESHMEN PARENTS

This school year, 2009-2010, all FRESHMEN students are required by law to show **proof of immunity to varicella or chickenpox before enrolling in school.**

The superintendent could exclude your child from school if the following requirements are not met:

1. A note or health record signed by your doctor showing your child has had chickenpox; or
2. A valid Immunization Record showing your child has had chickenpox vaccine; or
3. Results of a blood test that shows your child is immune to chickenpox.

Contact your health care provider to get this information or to learn more about the chickenpox/varicella vaccine.

Please send information to the School Nurse via mail or FAX (207) 985-3065 **by September 25, 2009.**

Thank you!
