Dear Mr. Farrell,

It is my pleasure to recognize Ellen Demmons as an outstanding member of the Maine School Food Service Association's Board of Directors.

I would like to extend a sincere thank you for allowing Ellen to attend the Maine School Food Service Association's Board meetings and conferences this past year.

Ellen, as a Past-President of MSFSA, has brought experience and new ideas to our conferences and meetings. She was instrumental in the USDA Net Off Invoice workshop being such a success.

I look forward to continuing our endeavors on behalf of Maine's children.

Sincerely,

A handwritten signature in cursive script that reads "Barbara R. Rose".
